Peter Bentley  
Technical Projects Manager  
Skandia Team GBR 2008  
"VSR's willingness to design and configure a RIB to our specific requirements was unique in the industry."

Peter Harken  
President  
Harken Yacht Equipment  
"The VSR-designed coach boats are like no other RIB as there is no second even close to their rough water sea-going ride."

John Longley AM  
Event Director  
Perth 2011 ISAF World Championships  
"From a coaching point of view, the vertical bowed VSRs were an obvious choice."

## IODA Asian Championship

Langkawi, Malaysia  
December 12 to 20

The final IODA Championship this year will be the Asians in Malaysia. The event will be held at the same venue as the IODA Worlds in 2010 which should encourage even more entries than usual, we expect 150 sailors from more than 20 countries.
